DR. MOREHEAD PLEASES

Large Audiences With His Splendid Bibli-

cal Lessons.
Rev. Dr. Morebead, of the Xenia, O., theological seminary, opened his series of Bible lessons at the U. P. church yesterday afternoon under the auspices of the Young People's Christian Union of that congregation. He will remain all that congregation. He will remain all weak, giving lessons at 4 and 8 p. m. daily. His opening subject was "The Tabornacle and its Furniture," and he treated it in a way that was not only instructive, but intensely interesting. Last night he delivered an able address on "The Book of Job," which was very much enjoyed by a large audience. He has a pleasing and popular style, and his lessons bid fair to be very successful and profitable to those who attend. No charge is made, and all the lessons are open to the public atlarge.

the many affairs given by the young
